

SEO Success

A dentistry clinic providing dental services to the patients

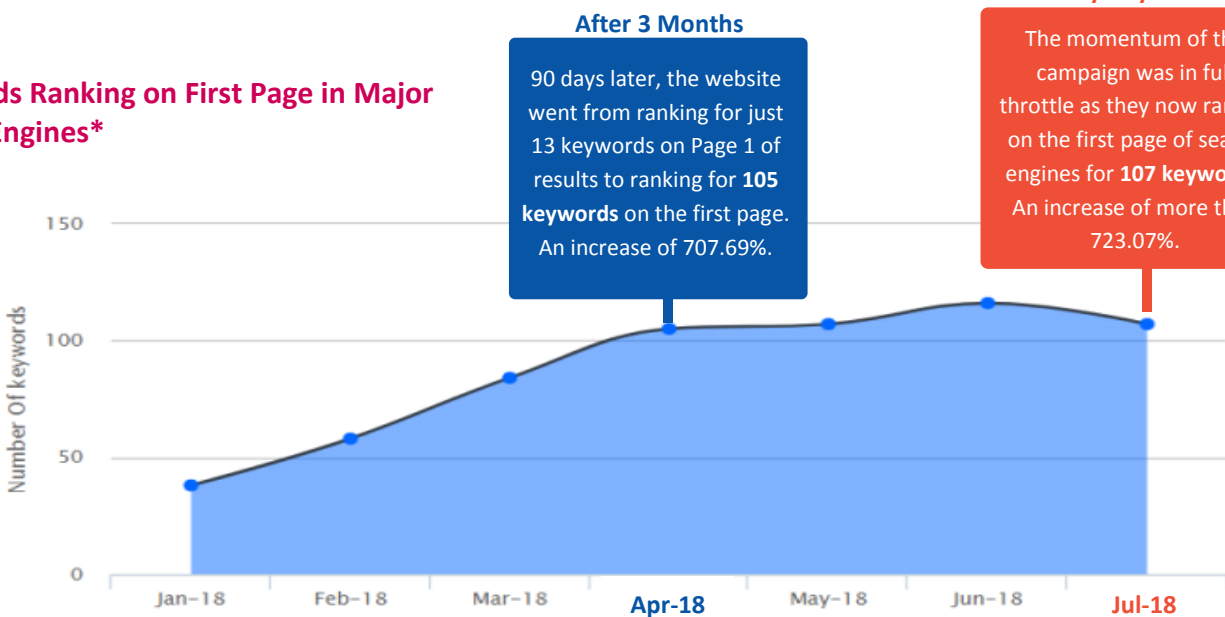

Prior to SEO

They approached us in Jan of 2018, with some online presence. They wanted to improve their presence by increasing organic rankings and traffic to their website and increase clientele. At the time they signed on for our SEO services they had just 13 keywords ranking on the first page of major search engines.

Our Approach

- We identified how potential customers were searching through extensive **keyword research**.
- We designed & implemented an SEO campaign that included **on-page** and **off-page optimization** around their targeted keyword terms.
- We ensured that all name, address, and phone number information was correct, complete and consistent across key sites, including top tier directories such as **Google My Business** and **Bing Local**.
- We developed and distributed **SEO friendly content** on relevant websites.
- We **created** and **distributed videos** about the business.
